

B. Amendment to the Claims

Please cancel claims 17-19 without prejudice or disclaimer.

Please add new claims 20-22 as follows.

1-19. (Cancelled)

20. (New) An organic luminescence device, comprising:

a pair of electrodes each disposed on a substrate; and

at least one luminescence layer comprising an organic compound disposed between the electrodes,

wherein the luminescence layer comprises a first organic compound and a phosphorescent second organic compound,

wherein the second organic compound is present at a concentration of at least 8wt.% in the luminescence layer, and

wherein the second organic compound is a compound selected from the group consisting of compounds (9), (11), (29), (33), (34) and (42)-(49):

21. (New) The organic luminescence device according to claim 20, wherein phosphorescence is emitted from the luminescence layer by applying a voltage between the electrodes.

22. (New) A picture display apparatus, comprising:
an organic luminescence device according to claim 20; and
a drive circuit for supplying display data.
